

SCRIP!

In your registration packet you received information on SCRIP and we promised you more information on our brand new "All or Nothing" SCRIP campaign.

DEFINITION

SCRIP is a fundraising campaign that allows you to raise money for our school simply by shopping at selected retailers with a SCRIP card you purchase from Boosters. SCRIP cards come in a variety of shapes and sizes, but most are similar to a typical gift card. So many merchants are participating in the nationwide SCRIP program that you're sure to find places where you already shop regularly!

THE COST

The cost of SCRIP is literally up to YOU because purchasing SCRIP is a dollar-for-dollar exchange. That's right! Dollar-for-dollar, exactly. No service or delivery charges, no interest. A \$100 SCRIP card costs \$100 and you spend \$100 at the retailer. When you spend your SCRIP card, that merchant sends a certain percentage of your purchase directly to J.A. It's that simple! Raise money for J.A. while you shop at your favorite stores!

THREE TYPES OF SCRIP

1. Great Lakes SCRIP is a nationwide fundraising program offering a huge variety of local and national merchants listed on an order form you'll receive monthly. When you order SCRIP for merchants participating in the Great Lakes program, you'll receive your SCRIP cards approximately 7-10 days after returning your order form to the Boosters box. Great Lakes SCRIP makes a terrific gift for out of town friends and family or purchases you can wait a week to make! Popular merchants include GAP, Old Navy, Home Depot, Dillards, Galyans and MORE! WATCH FOR YOU GREAT LAKES ORDER FORM SOON!!

2. The 'on-hand' SCRIP program lets you purchase the most popular SCRIP cards immediately from SCRIP volunteers every Monday and Friday after school, at the elementary. No order form, no waiting! On-hand merchants include King Soopers, Safeway, Kohl's, Chili's, Starbucks Coffee, Peaberry's, and Bath and Body Works. On-hand SCRIP is perfect when you need SCRIP now!! (Watch for possible dates and times for before school sales, too!)

NEW THIS YEAR IS AUTOMATIC ORDERING!!

3. We are so excited to offer an automatic ordering program this year! Now you can choose to have your SCRIP cards automatically mailed to you once a month. You decide the amount of your automatic SCRIP order and we'll do the rest! We anticipate automatic orders will be handiest for grocery SCRIP, but you can add any number of SCRIP cards to a variety of merchants to your automatic order. Complete the attached order form and begin your automatic SCRIP order right away! (See order form for complete details.) Have the Automatic Order Form filled out and returned to the office.

THE GOAL

Because the Boosters does little fundraising it is absolutely VITAL that every J.A. family be committed to the SCRIP "All or Nothing" campaign. We're focusing on grocery SCRIP sales since we're all spending money at grocery stores every month already! Let's let those stores give something back!! Our goal is to sell \$150,000 in total SCRIP sales, of which J.A. would receive approximately \$7,500. **THIS GOAL IS EASILY ATTAINABLE** if every family commits to a monthly order of only \$100 in grocery SCRIP. Who DOESN'T spend \$100 on groceries each month? Even if you have incentives to use other forms of payment (i.e. credit cards with airfare miles incentives) or do lots of shopping at Costco or Sam's, commit to receiving just \$100 per month in grocery SCRIP and we'll meet our fundraising goal!

WE'RE COUNTING ON YOU! START YOUR AUTOMATIC SCRIP ORDER RIGHT NOW!!
